Dear Lucy

## **All Saints Christmas Tree Festival 6-8 December 2024**

The popular Christmas Tree festival is back this year even better and bigger than before.

This is a community event, and we plan to get villagers involved to help us make it a great festival for all.

This year there will be more trees but smaller to enable easier access.

We are inviting clubs, organisations, and communities to sponsor trees at a cost of £25. Then have fun in decorating your tree how you wish. Help make the church look beautiful for Christmas and have fun.

Activities planned for this year include voting for your favourite tree, christmas raffle, christmas refreshments, entertainment, childrens activities and even Santa in his grotto!

We very much hope you can join in our village celebration.

It would be very helpful if you could let me know by Monday as soon as possible if The Parish Council would like a tree.

Do not hesitate to contact me if you want more information:

Best Wishes

Linda Baker  
All Saints Fundraising Team
